

## **CHAPTER-IV**

### **ACCOUNTABILITY AND DECISION MAKING**

DDK, Lucknow being a PGF Kendra, the programme proposals are put up by programme producers and obtain the approval of Head of Office. Thus the programme producers are accountable for his production & Head of the Station is a decision making authority.

Works under Minor works and METP are undertaken by Head of Engineering Section. Other works under power supply OPA (OB works) are also done under the Engineering Head. Sanctions above financial powers of Engineering Head are obtained from Chief Engineer (NZ) & Engineering Directorate.

All functions under administrative wings are carried out by different administrative officials under Dy. Director ( Admn)/Senior Administrative Officer and approval of Head of Office is obtained. Thus Head of Office and Engineering Head, Programme Head are accountable for Admin & Programme and Technical faculties respectively.
